

## Monthly Nonutility Power Report

This report is mandatory under Public Law 93-275. Failure to respond may result in a criminal fine, civil penalties, and other sanctions as provided by law. Data reported on Form EIA-900 on stocks end of the month are confidential. All other data are not confidential. Public reporting burden for this collection of information is estimated to average 0.5 hours per response, including time of reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Energy Information Administration, Statistics and Methods Group, EI-70, 1000 Independence Avenue S.W., Forrestal Building, Washington, DC 20585-0670; and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, D.C. 20503. A person is not required to respond to the collection of information unless it displays a valid OMB number

Please submit by the 10<sup>th</sup> working day of the month following the reporting month.
